4 Pillars of Digital Solutions

Mobile App Development

NATIVE & HYBRID MOBILE APP

Mobile Apps - Development process

- **App Development Strategy:** We analyze your business goals, target audience, and competition to develop a mobile app strategy that meets your specific needs.
- **UI/UX Design:** Our team of designers creates visually appealing and intuitive designs for your mobile app to ensure a seamless user experience.
- **Testing and Quality Assurance:** We rigorously test your mobile app for functionality, compatibility, and security to ensure that it's bug-free and user-friendly.
- **Native and Cross-Platform Development:** We offer both native and cross-platform app development based on your requirements, ensuring compatibility with all devices.
- **Maintenance and Support:** We provide ongoing maintenance and support to ensure your mobile app remains updated and functional.
- **App Store Optimization:** We optimize your mobile app for app stores, increasing its visibility and downloads.

WELCOME TO SHIVESH INTERNATIONAL

Incepted in the year 1995 Shivesh International (SI) is one of the promising manufacturers and exporters of natural essential oil, Carrier Oil & Base Oils, Spice Oils, Floral Absolute Oils, Organic Oils, Ayurvedic Oils, Aromatherapy oil etc... These are acclaimed for purity, high efficacy, soothing fragrance and precise composition.

Under the able guidance of our mentor Mr. Shalabh Kaushik, we have gained a meritorious position in the international market. Our sophisticated manufacturing unit enables us to develop all types of natural essential oil and aromatherapy oil as per the defined industrial standards. Due to our efficient manufacturing capability, we are able to produce 5 Tons of aromatherapy products, natural essential oils. Our professional approach and transparent business dealings has also helped us in garnering a wide clientele support across the globe.

The dedication and in-depth knowledge of our professionals has helped us in formulating perfumes, fragrances, chemicals and essential oils precisely in order to meet the requirement of FMCG, Chemical. Our entire range is stringently tested on well-defined parameters like efficacy, purity and composition to ensure international quality standard.

HOT PRODUCTS

Essential Oils

Essential oils are the fragrant, highly concentrated natural constituents that are found in plants. They are what give the plant its characteristic odour...

READ MORE

Carrier & Base Oils

Carrier oil, also known as base oil or vegetable oil, is used to dilute essential oils and absolutes before they are applied to the skin in massage and aromatherapy...

READ MORE

Organic Oils

Organic foods are very healthy, and can help you lose some additional weight. Replace your potato chips and ice creams with some fruits or vegetables...

READ MORE

Shivesh International, stands amidst the highly acclaimed Manufacturers & Exporters of a qualitative range of Essential Oils, 100% Spice Oils, Carrier & Base Oils, Floral Absolute Oils, Organic Oils, Aromatherapy Oils, Fragrance, Ayurvedic Oils. The entire assortment of products offered by us is stringently tested on various parameters to make sure that they are accurately...

FEATURED PRODUCTS

SPICE OILS

Spice oleoresins represent the complete flavour profile of the spice. It contains the volatile as well as non-volatile constituents of spices. Oleoresins can be defined as the true essence of the spices and can replace whole/ground...
